How your claim is managed

When all required documentation is received by the Training Fund, your claim is assessed by the Program Administration Officer against eligibility criteria.

Your claim may be returned if all required documents are not submitted or if additional, supporting information is required.

Once your claim is approved, a payment will be generated in the name of the person/company and sent to the address identified on the claim form. Claimants should allow 30 days of all invoices and accurate documentation being received for payment from the Training Fund.

Please note: claims for rebate must be submitted within 12 months of undertaking the course.
